A few quick questions

Your answers shape the guides and next steps we suggest.

1. Tap the answer that fits. It moves on by itself.
2. Pick anything big coming up, like a move or a new car.
3. Skip what you'd rather not say. Change answers any time in **Me**.

Add what you own and owe

Today's balances set your starting net worth. Round numbers are fine.

1. Enter each account's **Balance today**.
2. Add what you owe: cards, loans, anything else.
3. Tap **See my stage**.

Had a Clarity Session? The number your host recorded is ready to use.

Meet your Wealth Stage

Five stages, one climb. You'll see exactly how far it is to the next one.

Emerging	$0 or below
Rooted	Up to $49,999
Progressing	Up to $199,999
Aligned	Up to $499,999
Affluent	$500,000 and up

Emerging is the start of the climb, not a failure. Every member starts somewhere.

Check your stage milestones

Six per stage. They get you ready to hold the next one.

1. Answer **Yes, done** or **Not yet** for each one.
2. Find them any time under **Journey**.
3. Tap a milestone to see why it matters.

Home shows your next step

Open the app and know where you stand and what to do next.

1. See your stage and how far to the next.
2. Do the action from your session, or tap **Not now**.
3. See when your next Clarity Session is.

Never miss what's on

Events, new features and news from TAP slide by at the top of Home.

1. Let the news slide by, or swipe through it yourself.
2. Touch the card to hold it still.
3. Tap a button to save your spot or try what's new. A ↗ opens a web page.

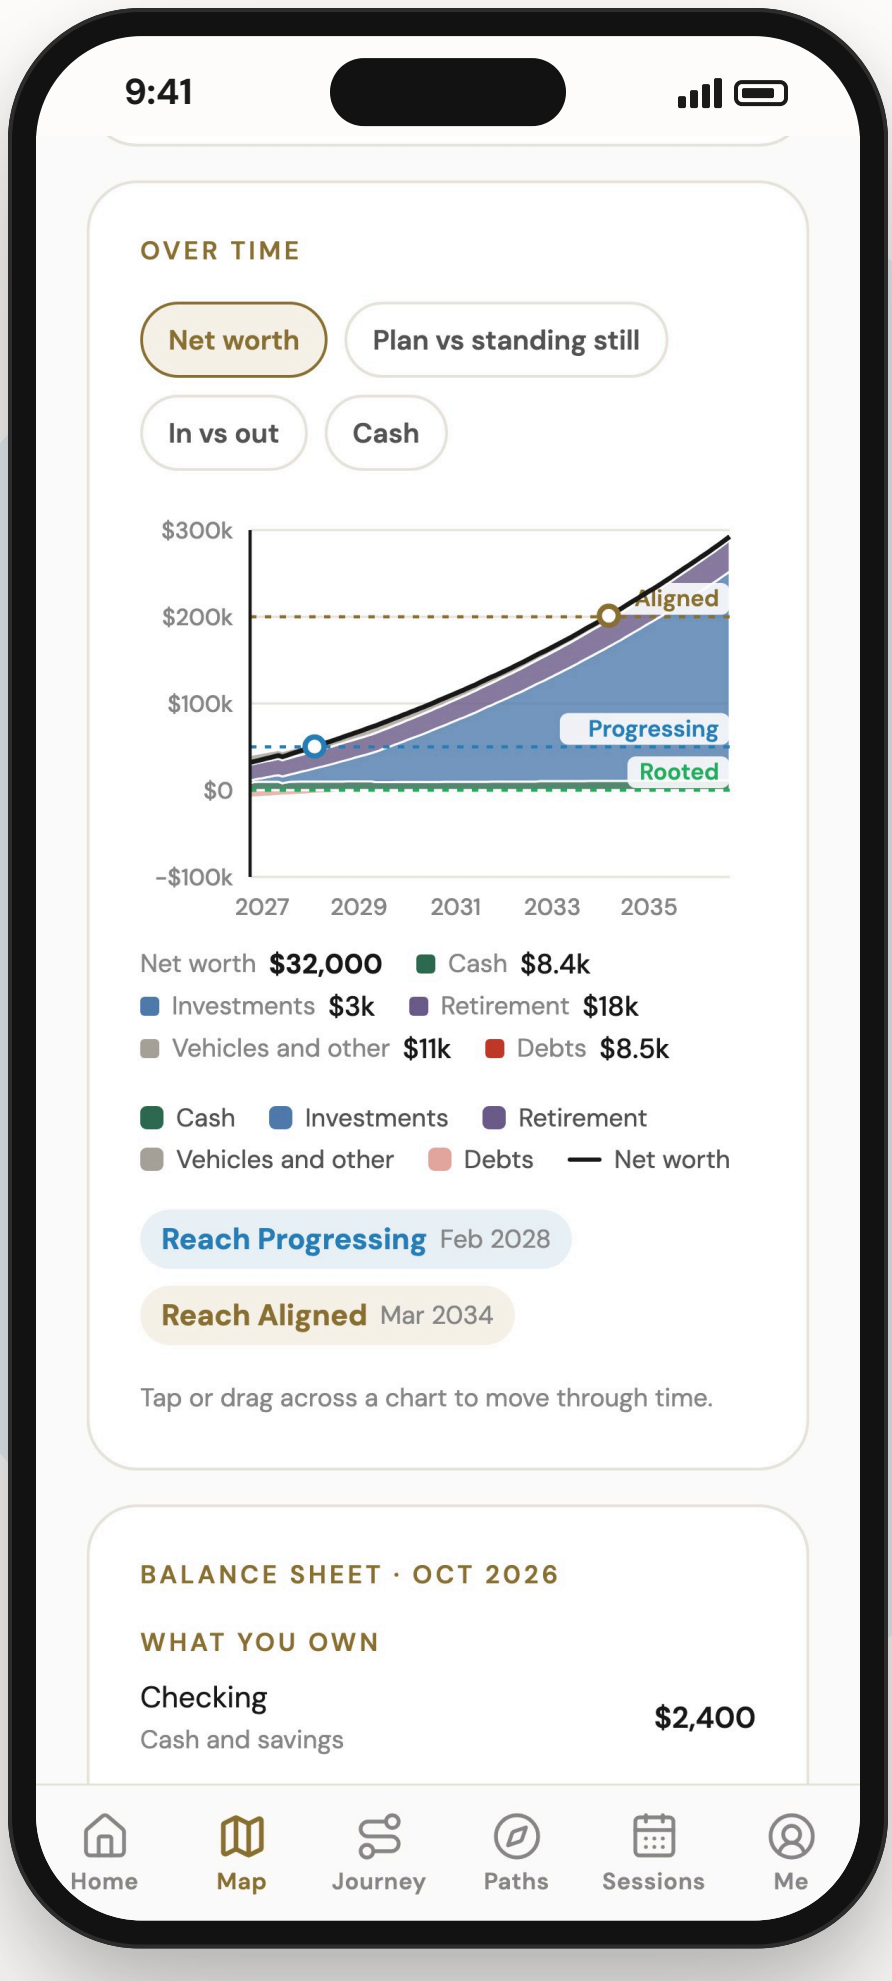

DAY TO DAY · 3 OF 6

See where it's all heading

Your Wealth Map turns today's numbers into a forecast, down to the month you'd reach each stage.

1. Open **Map**.
2. Switch a plan on or off, like a trip or a raise, and watch the difference.
3. Tap or drag across a chart to move through time.

Leave every session with a plan

After a free Clarity Session with a TAP host, your recap is waiting in the app.

1. Open **Sessions**, then your recap.
2. See your Wealth Anchor and the one Most Important Thing.
3. Work through your actions before each due date.

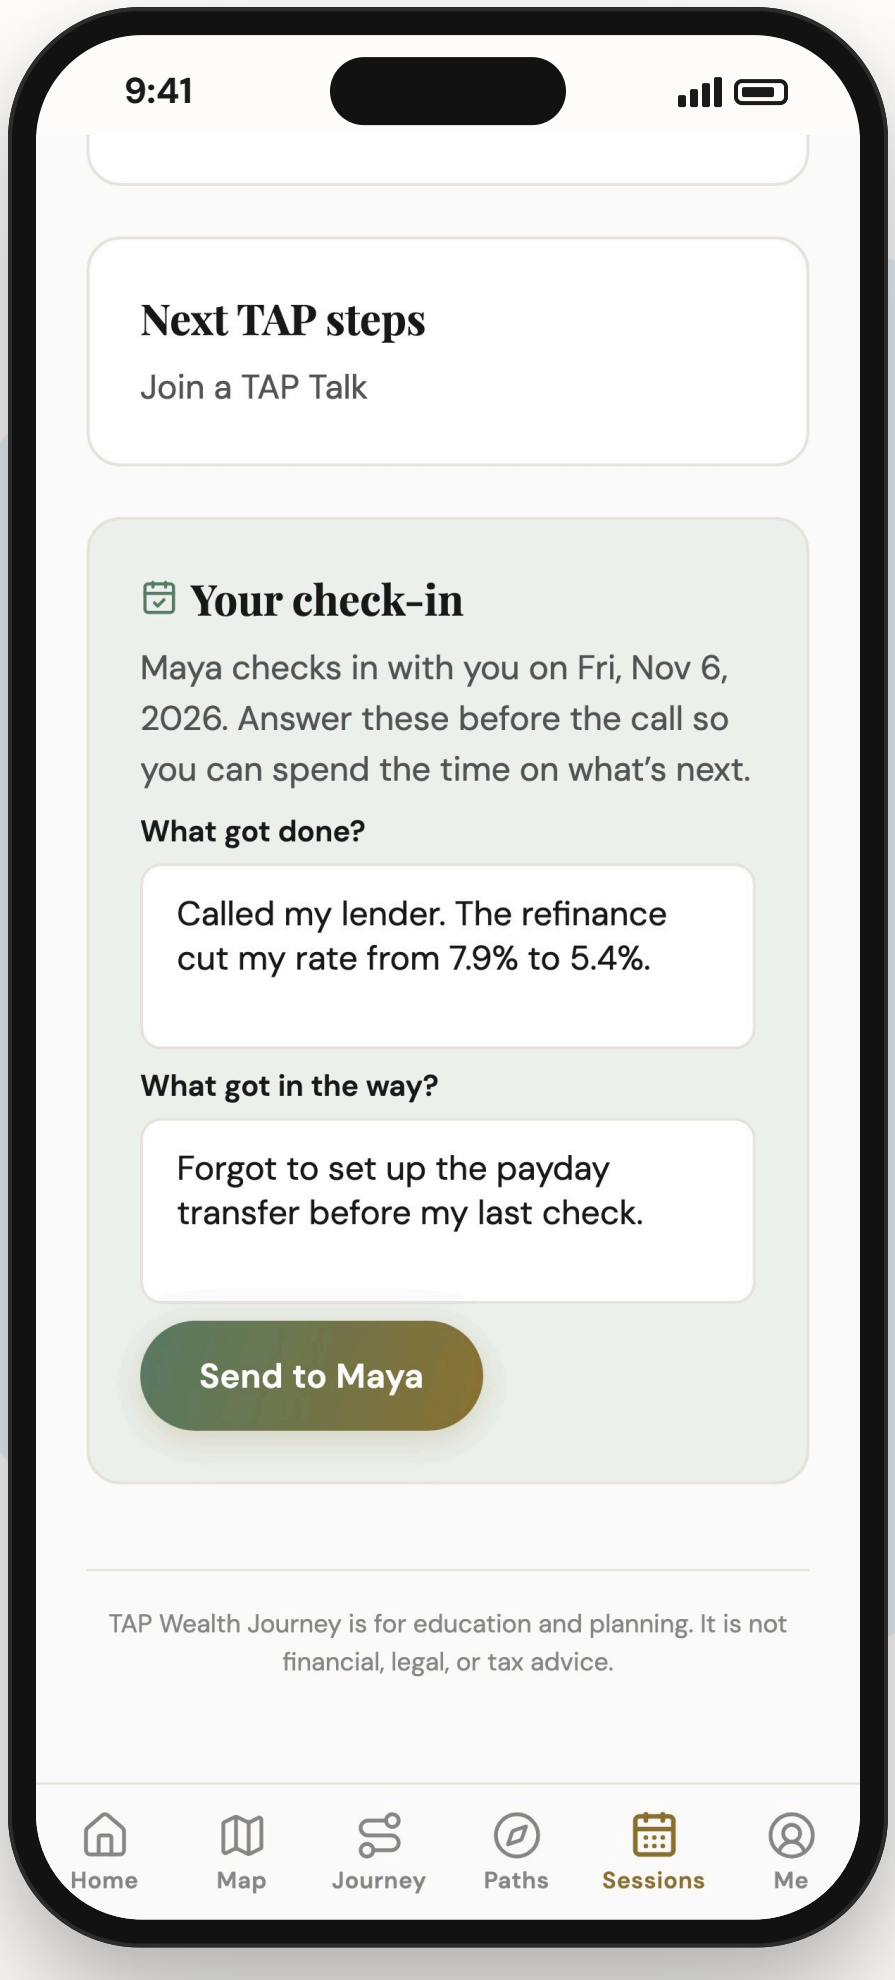

DAY TO DAY · 5 OF 6

Check in before the call

Tell your host how it went, so your time together goes to what's next.

1. On Home, tap **Answer your check-in early**.
2. Share what got done and what got in the way.
3. Tap **Send**. Your host sees it before you meet.

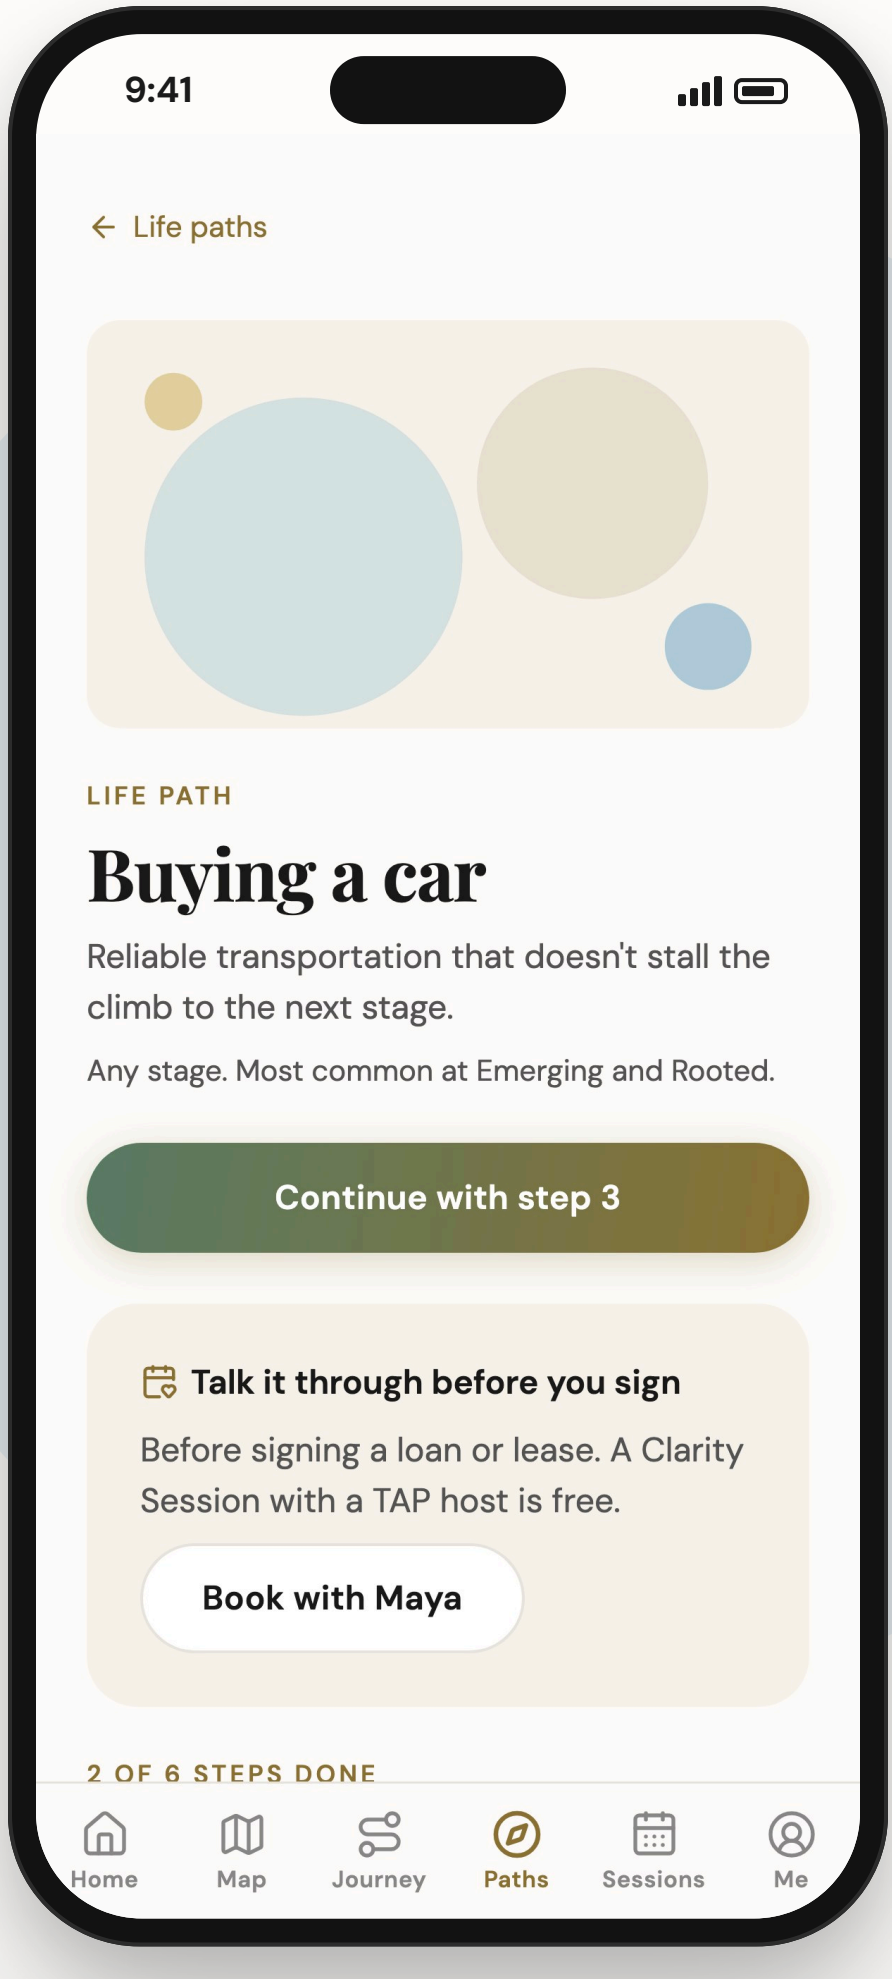

DAY TO DAY · 6 OF 6

Big decisions, step by step

Buying a car or a home, renting, having a child: guided steps with calculators that use your numbers.

1. Open **Paths** and pick one.
2. Go one step at a time. Your progress is saved.
3. Talk it through with your host before you sign.

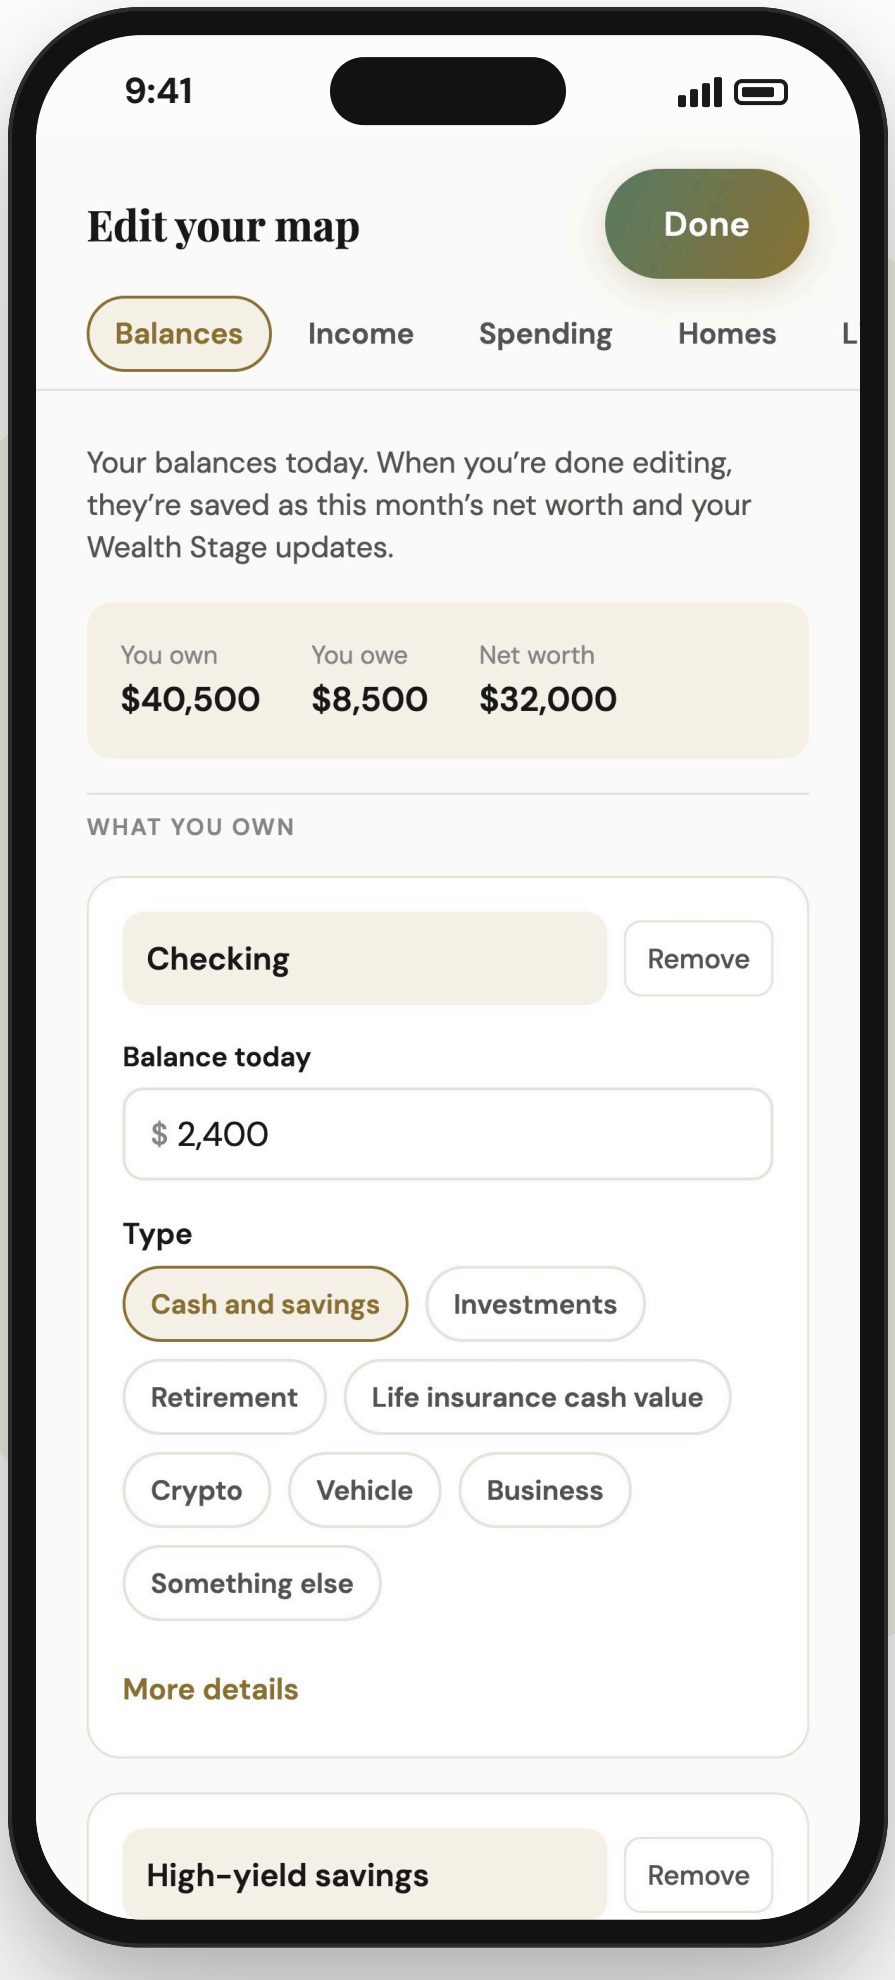

ONCE A MONTH

A few minutes a month

Update your balances, and your net worth, stage and forecast update with them.

1. Open **Map** and tap **Edit my map**.
2. Update each **Balance today**.
3. Tap **Done**. That's it.

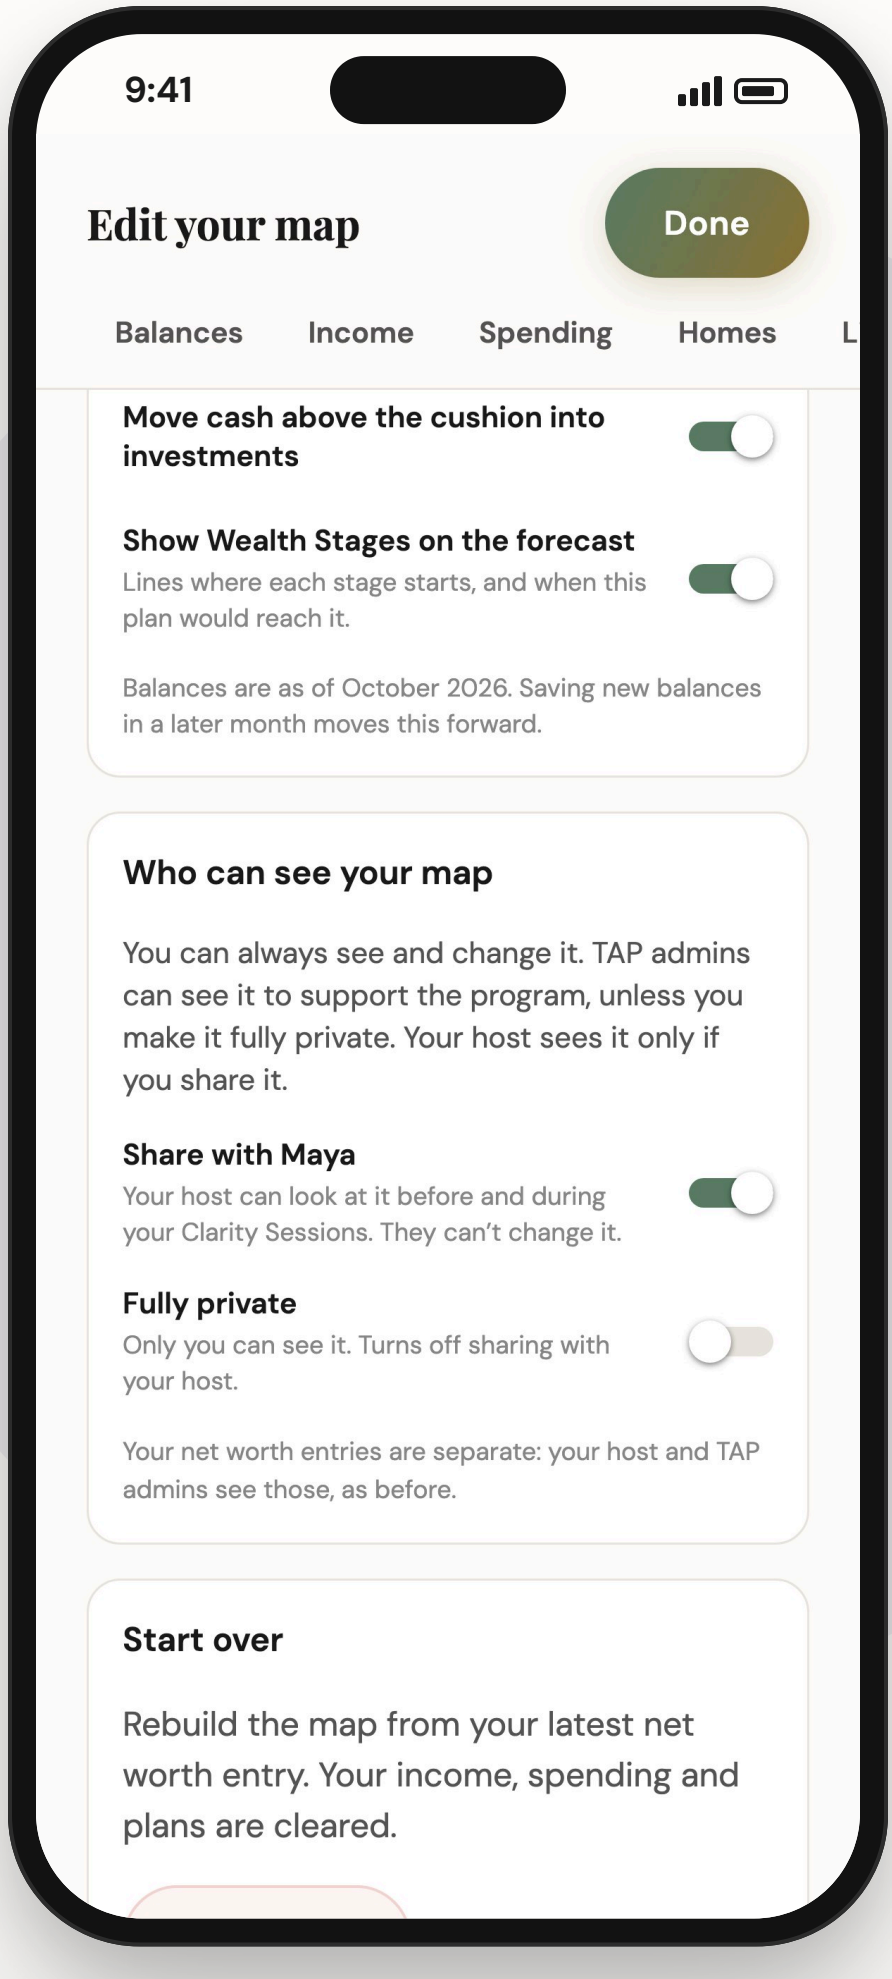

ALWAYS

Your data, your call

You choose who sees your Wealth Map, and you can take your data with you.

1. On **Map**, tap **Change** under the title.
2. Share with your host, or make it fully private.
3. In **Me**, download your data or delete your account.
